## **NON-CONFORMING BAT LIST** (updated 2/15/2015)

The rules that apply to bats can be found in Rule 1.27 on page 10 of the “L.A. City Municipal Sports Softball Official Rule Book” (Red Cover, Printed 1/03). Here’s a basic breakdown:

- 1) Bats shall be made of Wood or Metal, No 100% Composite bats – (handles may be composite, barrels can only contain metal).
- 2) Metal bats can have only one layer of metal on the barrel (No multi-walled or exterior shell bats).
- 3) Outer surface of non-wood bats must be metal (No Fiber wrapped bats or non-metal coated bats).
- 4) Bats cannot contain Titanium.
- 5) Bats must be designed for Softball (no Baseball or Little League bats) and cannot be tampered with or altered, including manufacturer's labeling.
- 6) Bats cannot exceed 1.20 BPF (Supplemental Rules).

Below is a partial list of bats that do not conform to our rules. Any bat not listed below but breaking 1, 2, 3, 4, 5 or 6 above is also unable to be used in our leagues.

Adidas Phenom	DeMarini Distance (All Distance Models)
